

Task 1 - Literacy

Read these two short texts on 'Weather'. Answer the comprehension questions using full sentences. Try to use quotation marks if you know you are taking your answer straight from the text.

Extension: Create a question of your own for each text. See if your parents and guardians can answer it correctly using full sentences.

Task 2 - Maths

In today's Numeracy task you will be using data from tables to answer questions.

Lunch / Break time

Have a go at Mrs Rolle's Daily fitness challenge or maybe have a go at one of our daily yoga lessons. <https://www.danegroveschool.co.uk/year-three>

Afternoon activity - Create your own springtime chick and bunny characters. For this activity you will need to create your characters using the tips of your own fingers and washable paint. Once you have created your characters, create an Easter/ Spring story using the comic strips provided.

<https://www.youtube.com/watch?v=p79pl2-y8jk>

If you do not have any washable paint you can draw coloured oval shapes with a felt tip pen or colouring pencil. Remember to wait for the colour to dry before you add your characters' features in black pen.

Reading -

Children may choose to read a book or to read one of the books available on the Bug Club website

<https://www.activelearnprimary.co.uk/login?c=0>

Please encourage your child to read for **30 minutes** each day.

This week's spellings

You must practice these spellings every day and your parents or guardians can test you on Friday! Then you can mark them yourselves once you have finished!

Remember to use LOOK, SAY, COVER, WRITE, CHECK to help you.

Other activities you may want to try:

- Write a letter to a friend or family member
- Help your parents cook or bake, you could have a go making something you haven't made before.
- Interview your parents or guardian on what they liked about school when they were your age. What was their favourite subject and what was their favourite game to play?
- Teach your parents and guardians some Spanish - Miss Del Rios would be very proud!
- Create your own board game
- Timed times table challenge, let's see if you can beat your score each day

Starter -

Fill each line with the words you are given just as you would in class. Repeat these lines twice. Today you will need to look closely at where you join each letter to the next.

Spotting a Tsunami

8 Before a tsunami strikes, eagle-eyed scientists can spot
19 a few warning signs which may help to save lives. An
28 earthquake can be a warning of a tsunami; tsunamis
39 can cause the ground near the coast to shake for more
50 than twenty seconds at a time and may cause the ocean
60 to pull backwards, leaving bare sand where the sea used
71 to be. There may also be loud, booming noises with no
81 apparent cause. However, it is not just humans who can
92 take notice of these warning signs. Around the time that a
102 tsunami is about to strike, animals can be seen behaving
109 strangely or beginning to leave the area.

119 If any of these signs are spotted, you must immediately
129 move away from coastal areas. Make your way to higher
138 ground as quickly as you can – do not stop.

Quick Questions

1. Find and copy two ways that the author tells the reader to act quickly if they spot a tsunami.

- _____
- _____

2. What are two warning signs that a tsunami could be about to strike?

- _____
- _____

3. Why might someone be tempted to stop on their way to higher ground?

4. Who do you think that this information is for? Explain your answer.

A Storm is Brewing...

11 Dale was in the garden playing fetch with Patch, a tiny
20 brown and white puppy they had brought home only
29 three days before. Quite unexpectedly, Dale heard a loud
40 rumble and saw, from the corner of his eye, flashes of
49 light in the sky. "What is happening?" muttered Dale.

57 Suddenly, Dale heard Mum shouting from the kitchen.
66 "Get inside quickly, Dale!" she yelled with urgency in
76 her voice. This worried Dale, so he swiftly ran towards
86 the house. Unsure what to make of the situation, Patch
94 sauntered after him, stopping occasionally to shake the
98 rain from his fur.

108 "Mum, why is the sky making strange noises and what
115 are all of those lights?" asked Dale.

123 "It is thunder and lightning, Dale," explained Mum.

Quick Questions

1. Find and copy an adverb from the text which means the same as 'quickly'.

2. How long had Dale had Patch?

3. What do you think Dale and Patch did next?

4. How does the author show the reader that Patch is not really bothered about the thunderstorm?
